Heating Service Plan and Automatic Oil Delivery

Do you ever wish your heating bills were more affordable and predictable? ParkSide Fuel Service provides a comprehensive service plan with automatic oil delivery that takes the stress out of winter heating. You'll benefit from no-cost parts replacement, an annual efficiency tune-up, advanced fuel monitoring, automatic home heating oil delivery, and 24/7 emergency support.

Call today to sign up and start enjoying all the perks! (631) 928-4645

What's Included?

- ✓ **Automatic Oil Delivery**
Never have to worry about whether you'll have enough fuel oil to stay safe and warm. Keep your home protected with automatic fuel oil deliveries only when you need them.
- ✓ **Advanced Fuel Monitoring**
ParkSide Fuel Service takes your home's security seriously, so we use advanced fuel monitoring to provide you with accurate, timely deliveries of fuel.
- ✓ **Annual Heating System Efficiency Tune-Up**
Yearly preventative maintenance extends your equipment's lifespan, reduces fuel costs by as much as 10%, reduces your risk of breakdowns, and maintains your manufacturer's warranty.
- ✓ **Special Savings on Service & Repairs**
When you're enrolled in our service plan, we'll cover the total replacement of 15 different parts of your furnace or boiler. To sweeten the deal even more, all additional repairs are discounted.
- ✓ **Reliable 24/7 Heating Service & Support**
Don't gamble with your home comfort. As a service plan customer, you have access to ParkSide Fuel Service's 24/7 emergency support. Just give us a call, and we'll be there for you.

How to Sign Up

All you have to do is contact ParkSide! We respect your time and preferences, so we have several methods of availability. You can give us a call at (631) 928-4645, message us on Facebook, drop by the office in Mt. Sinai, or visit ParkSideFuel.com and click New Customers. We can't wait to provide your Long Island home with comprehensive comfort coverage!
